

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

UNITED STATES OF AMERICA)
)
vs.)NO. 04-10214 GAO
)
MOHAMAD M. HAMADE)

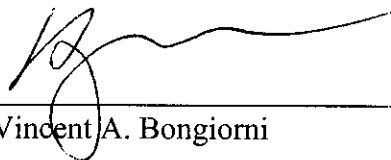

AFFIDAVIT

Now comes Vincent A. Bongiorni, Esq. and being duly sworn states as follows:

Shortly after the defendant was released from custody, his employment delivering United States mail as a contract carrier with the United States Post Office was terminated. This determination came as a result of the United States Post Office's policy suspending employment whenever an indictment has been returned against a contract employee. Mr. Hamade has work available to him in his profession as a truck driver, however, most employers will require him to travel at a minimum in the New England area.

The present restrictions on travel inhibit his employment with a number of trucking concerns who are prepared to hire him.

Signed under the pains and penalties of perjury this 8th day of November, 2004.
